This information does not take into account the investment objectives or financial situation of any particular person. Investors should be aware that there are risks of investing and that prices both rise and fall. Investors should read the Product Disclosure Document which details all of the risks of investing in CitiFirst MINIs. Investors should also seek their own independent financial advice based on their own circumstances before making a decision.

The terms set forth herein are intended for discussion purposes only and subject to the final expression of the terms of transaction as set forth in a definitive agreement and/or confirmation. Any prices provided herein (other than those that are identified as being historical) are indicative only and do not represent firm quotes as to either price or size. All opinions and estimates included in this document constitute our judgment as of this date and are subject to change without

This material does not purport to identify the nature of the specific market or other risks associated with a particular transaction. Before entering into a derivative transaction, you should ensure that you fully understand the terms of the transaction, relevant risk factors, the nature and extent of your risk of loss and the nature of the contractual relationship into which you are entering. You should also carefully evaluate whether the transaction is appropriate for you in light of your experience, objectives, financial resources, and other relevant circumstances and whether you have the operational resources in place to monitor the associated risks and contractual obligations over the term of the transaction.

The ultimate decision to proceed with any investments is solely with you. We are not acting as your advisor or agent. Therefore prior to entering into the investment decision you should determine, without reliance upon us or our affiliates, the economic risks and merits, as well as the legal, tax and accounting characterizations and consequences of the transaction, and independently determine that you are able to assume these risks. In this regard, by acceptance of these information, you acknowledge that you have been advised that (a) we are not in the business of providing legal, tax or accounting advice, (b) you understand that there may be legal, tax or accounting risks associated with the transaction, (c) you should receive legal tax and accounting advice from advisors with appropriate expertise to assess relevant risks, and (d) you should apprise senior management in your organization as to the legal, tax and accounting advice (and, if acceptable, risks) associated with this transaction and our disclaimers as to these matters.

If you are acting as a financial adviser or agent, you should evaluate these considerations in light of the circumstances applicable to your principal and the scope of your authority. If you believe you need assistance in evaluating and understanding the terms or risks of a particular financial product, you should consult appropriate advisers before entering into the transaction.

We and/or our affiliates (together, the "Firm") may from time to time take proprietary positions and/or make a market in instruments identical or economically related to derivative transactions entered into with you, or may have an investment banking or other commercial relationship with and access to information from the issuer(s) of financial products underlying derivative transactions entered into with you. We may also undertake proprietary activities, including hedging transactions related to the initiation or termination of a derivative transaction with you, that may adversely affect the market price, rate, index or other market factors(s) underlying a derivative transaction entered into with you and consequently the value of the transaction. This document and its contents are proprietary information and products of our firm and may not be reproduced or otherwise disseminated in whole or in part without our written consent unless required to by judicial or administrative proceeding.
