Reference Number: 0006/17

Subject: Response Paper on Consultation Paper 2 of 2016

Chi-X Australia has published a [Response Paper](#) (RP) on [Consultation Paper 02/2016](#) (CP 2).

The RP contains the amendments to the Operating Rules and Procedures that have been made to accommodate the launch of transferable custody receipts (TraCRs), a new product to be quoted exclusively on the Chi-X market.

The RP also contains an outline of the wider regulatory, commercial and technology framework for TraCRs.

An update on the proposals in CP 2 relating to Chi-X Quoted Managed Funds will be provided in the coming months.

Chi-X is grateful to those participants and stakeholders that responded to CP 2 and engaged with Chi-X on the new proposals.
