### **Subject: Updated Trade Cancellation Policies**

Participants are advised that with the release of version 6.0 of the Chi-Trading System into production on 24 June 2019, it has been necessary to update the Trade Cancellation Policies to include the new CTS functionality for cancelling MOC crosses and the enhanced functionality with respect to trade reports.

These functions are available on an optional basis to Participants as outlined in the latest version of the FIX Trading Specification available in the Client Forum on the Chi-X web site.

Version 1.4 of the Chi-X Trade Cancellation Policies is available [here](#).

Any queries should be addressed to [au.compliance@chi-x.com](mailto:au.compliance@chi-x.com).
