Reference Number: 0005/19

Subject: Vale David Hunt

Chi-X notes with sadness the passing of David Hunt.

David was a highly valued member of the Chi-X Compliance and Review Committee Panel.

David was also a well-respected member of local compliance circles, working in compliance roles at ASX, Credit Suisse and CLSA after having forged a successful career with the NSW Police Force.

David provided expert, measured and timely compliance and professional advice in many different circumstances, never wilting under the multiple pressures and external reviews associated with his role and our profession.

David's company and expertise will be greatly missed by those fortunate enough to have benefitted from his presence and our thoughts at this sad time are with Judith, Grace and Ben.

He will be greatly missed.
