### **Subject: New Versions of the Investment Products Information Pack and Operating Rules: Procedures**

Participants are advised that in anticipation of the launch of the Funds Market on Tuesday 15 October, Chi-X has:

- released an updated Investment Products Information Pack - the amendments accommodate the launch of the Funds Market and enhance the Issuer and Product Application Forms; and
- updated the Operating Rules: Procedures to specify the offshore jurisdictions in which OTC Derivative counterparties may be located under rule 14.21(c).

The updated versions of the Information Pack and Procedures can be accessed on the Compliance page of the Chi-X Australia web site.
