Subject: UPDATE: CHI-X TRADING RESILIENCE – MANAGING THE COVID-19 PANDEMIC – CHI-X OPEN FOR TRADING

As a provider of critical financial market infrastructure in Australia, Chi-X Australia continues to be fully operational.

Chi-X trading hours and phases will continue as normal.

Chi-X trading and support systems, including the Chi-X group regional centres, have proven resilient and fully operational for trading by our Participants over recent weeks, as they have in many other instances of global volatility and disruption.

Chi-X Australia has implemented local business continuity measures while maintaining trading and operational continuity for our participants and clients.

Chi-X contacts and service channels remain unchanged, including email and phone details.

Chi-X will continue to monitor local and global developments closely, keeping participants and clients informed.

Please raise any queries directly with your usual Chi-X contact.
