

Compliance Notice

Monday 4 May 2020

Reference Number: 0001/20

Subject: Changes to the Operating Rules: Procedures (Procedures) to accommodate the removal of visible MOC orders

Chi-X is removing the option for visible Market on Close (MOC) orders.

This change requires some minor amendments to the Section 4 of the Procedures. The amended Procedures come into effect today, **Monday 4th May 2020** and can be accessed [here](#).

A version of the Procedures containing the changes, highlighted in red text, can be accessed [here](#).

The technical solution is outlined in the technical specifications referenced on the Client Forum (see also [Technical Notice 001/20](#)).

Please [contact Chi-X Compliance by email](#) with any queries.
