

Market Operations Notice

Monday 18th January 2021

Reference Number: 0001/21

Subject: Addition of ASX Hybrid Symbols on Chi-X.

With reference to the [earlier Technical Notice](#), Chi-X is pleased to announce the addition of ASX Hybrid Securities and ASX Interest Rate Hybrids to the list of tradable symbols on Chi-X systems as follows:

- **PTE** (Participant Test Environment) will include ASX Hybrids from **Monday 18th January 2021**, and
- **Production** will include ASX Hybrids from **Monday 22nd February 2021**.

The scope of Hybrid symbols is defined in the [Technical Notice](#) and now includes an appendix listing current Hybrid symbols in scope.

The Operating Rules and Operating Rules: Procedures have also been amended to accommodate trading in hybrid securities, as previously advised in [Compliance Notice 0005/20](#). The current version of the Operating Rules can be accessed [here](#) and the current Operating Rules: Procedures can be accessed [here](#).

Please [contact Chi-X Market Operations](#) with any queries.
