Wednesday 20th March 2013

Reference Number: 0001/13

Subject: Updated Chi-X Trade Cancellation Policies

Chi-X has updated its Trade Cancellation Policies to reflect recent changes to the Market Integrity Rules (Competition in Exchange Markets) (MIRs) and make some minor non-substantive changes.

A marked up version of the paper, indicating the changes, can be accessed here: [Trade Cancellation Policies mark up v1.2](#). The changes primarily relate to the requirements imposed by the MIRs on the interaction between Chi-X and the ASX in respect of transactions in the extreme trading range.

The requirements of participants in relation to trade cancellations have not been changed.

While the procedures relating to the interaction between Chi-X and ASX are yet to be finalised, it is proposed that the changes to the Trade Cancellation Policies will take effect on 2 April 2013, from which date an unmarked version of the updated Trade Cancellation Policies paper (version 1.2) will be published in the Compliance Section of the Chi-X Australia web site: <http://www.chi-x.com.au/Compliance.aspx>
