### **Subject: Changes to the Operating Rules and Operating Rules: Procedures to Accommodate the Transition to a T+2 Settlement Cycle**

Chi-X has today published a [Consultation Paper](#) on two minor proposed amendments to the Operating Rules and Operating Rules: Procedures to accommodate the transition to a T+2 settlement cycle. The amendments will replace the references to the current T+3 settlement cycle with references to T+2.

The consultation closes on 5<sup>th</sup> February and it is proposed that the amendments will come into effect for the commencement of trading on Monday 7<sup>th</sup> March 2016, the current target date for the introduction of T+2 settlement, or such other time as that transition occurs.
