Subject: Chi-X publishes Operating Rules and Operating Rules: Procedures that will come into force for the launch of the Investment Products Platform

Chi-X has today published the updated version of the Operating Rules (rules) and Operating Rules:Procedures (procedures) that will come into force for the launch of the Investment Products Platform on 23rd November 2015 (see [Market Operations Notice 0009/15](#)).

In January this year, Chi-X published draft rules and procedures for investment products in [consultation paper 1/2015](#). Since that time Chi-X has worked with participants, prospective issuers, trade bodies and other stakeholders to finalise the rules that were submitted to the Minister for non-disallowance. The non-disallowance period expired on Sunday 18th October and accordingly the rules and procedures will come into force for the commencement of trading on Monday 23rd November 2015.

Chi-X is very grateful to all of those stakeholders who provided feedback upon the rules and procedures, which was very helpful.

A clean copy of the updated rules can be accessed [here](#). A clean copy of the updated procedures can be accessed [here](#).

A version of the rules marked up to show changes from the previous version can be accessed [here](#). A version of the procedures marked up to show changes from the previous version can be accessed [here](#).

Please do not hesitate to contact [Chi-X compliance](#) if you have any queries.
